

WOMEN'S CLUB

The Women's Club was started in September 2008. Like all organizations we are having a difficult time retaining active members. As a result we have discussed various ways to continue this valuable parish service. The path we have decided to follow is based on the current model used by the Historical Society.

- No monthly meetings
- Board of Directors is formed to determine activities of the Women's Group
- Membership is formed from women interested in assisting with activities
- Dues are \$10 per year as a commitment to participate

Club activities are to assist the pastor and parish:

- * Hosting parish events (open houses, receptions, etc.)
- * Chair parish potluck dinners and other social events
- * Host after Mass coffee hours
- * Sell religious goods and articles
- * Funeral receptions in parish hall as requested
- * Fundraising events for equipment for the parish hall/kitchen
- * Support vocations to the priesthood and religious life

Please fill out and drop in the collection basket, bring to the church office or mail
