- No Codes, Passwords, Downloads or Accounts.
- Just open the message, click and play.
- Word on Fire ENGAGE includes short videos featuring Bishop Robert Barron, one of the most effective Catholic evangelists today. Many people have described them as the most engaging Catholic videos they've seen.

Added bonus:

You may- but don't need to - ask questions and/or respond to videos. Only persons registered on the site are able to comment or see comments on a video. This turns mini-coursed into a digital small group, where we can comment whenever and wherever we'd like. Our parish community can be watching and discussing the same videos together, bringing the content and discussion to each of us, on our own time.
