

Dear Families,

We hope you enjoy your time with at-home Religious Education instruction.

The books provided are a resource to work through with your children. While your child is not expected to memorize the questions and answers, they should at least know the majority of the book content before January, when we hope to return to in-class instruction. They also should know the Sign of the Cross, the Our Father, the Hail Mary and the Glory Be.

We recommend sitting down with your child once per week (maybe on Sundays) and working through the content in the book for at least half an hour.
