"In a society so often intoxicated by consumerism and self-indulgence, wealth and extravagance, appearance and narcissism, this Child (Jesus) calls us to act soberly. In other words, in a way that is simple, balanced, consistent, capable of seeing and doing what is essential."

Pope Francis, Christmas Message

In this season of giving and receiving we invite you to participate in a pre-Advent retreat facilitated by Sister Linda Buck, CSJ. This day promises to be reflective, hopeful, and prepared for the joy of Christmas.

St. Joseph Health 

Sister Linda Buck, CSJ is a member of the Sisters of St. Joseph of Orange and currently serves as the Director of Initial Formation and Novice Director for the Congregation. She is a licensed psychotherapist and a certified spiritual director. She provides services, supervision, consultation and education focused on the integration of psychology and spirituality. Sr. Linda holds a MA in both Clinical Psychology and Theological Studies. She also serves in governance with Providence St. Joseph Health, currently as Chair of the Board for Mission Hospital and is a Board Member on Covenant Health Network (Southern CA).
