ESSAY QUESTIONS

Instructions: Please be specific in your answers and supply enough information to describe your experience and the points you wish to make. You may attach a separate page to answer however your answers should be concise. Limit to 150 words or less for each response.

1. Please provide a brief overview of the reason you have applied for this scholarship, and your educational plans. (Include any colleges, trades schools or universities you have attended or will be attending.)

2. What type of extra-curricular activities, work experience, or groups are you interested in and/or have been involved with?

3. What is your personal connection to Natural Resources and/or Green Diamond?

4. Why did you choose your particular field of study and what do you see as your future career?

5. Is there anything further you would like to add for the committee's consideration that was not adequately communicated in the application responses?

I hereby certify that the above statements and my responses to the questions are true and accurate to the best of my knowledge.
